City News Items

Week's Highlights in Brief

Harry Taylor left the east line this week on business.

C. B. Compton made a business trip to Dayland on Monday.

Senator Talbot was in the city on personal business Saturday last.

J. W. Bailey made a business trip to the Capital last week, returning on Saturday.

Mayor Montgomery made a business trip to Edmonton the fore part of the week.

Miss Caldwell, who has been visiting in the east, returned to the city on Monday.

When you think of the picnic think of the fast coloradapkins you can get at Mason's.

Who will be appointed to the office of Justices of the Peace as successors to H. D. Miller?

A successful operation was performed on the infant son of Mr. and Mrs. Woodroff on Monday.

C. E. Valentine officiated at a wedding ceremony in the city the fore part of last week.

Mr. and Mrs. H. E. Friess left on Wednesday for their home at Ryley, where they will spend several days.

Rev. J. G. Anderson, of Angus, will conduct a series of lectures in the Presbyterian church on Sunday next.

Jas Dempsey of Dyer, Ia., was in the district this week looking after his investments and taking hands with friends.

P. L. Talbot and his wife arrived home on Sunday afternoon, train from their honeymoon which was spent at the Capital.

L. B. Standler met with a painful accident on Saturday evening last when his horse ran away with him and broke his left arm.

P. Slingby, formerly manager of the Wetaskiwin branch of the Bell Telephone, was receiving acquaintances here on Monday.

J. S. Robertson, who has been spending some months at Bitter Lake, arrived in the city this week to resume his duties.

Several of the city have been improved during the past few days by being levelled off with the street grader.

A meeting was held in the Presbyterian church on Tuesday evening, to consider the question of a successor to Rev. J. E. Hogg.

Mrs. Morson arrived in the city on Wednesday on an extended visit with her daughter, Miss Morson, of the King Edward school teaching staff and other friends.

We understand that T. O. Pelland has entered suit against the city for \$5,000 damages on account of an outlet sewer passing through his property north-east of the mill.

E. T. Williamson has purchased the home of E. E. Newton, Rosecroft street, but we understand that he will not take possession for a few weeks.

Mr. Newton will likely leave town.

G. W. S. Harkness and daughter, Mrs. Douglas, left for Ontario a few days ago. Mrs. Harkness and family will also leave for the east as soon as certain business can be arranged.

Rev. and Mrs. Hogg, who expected to leave the city last Friday were detained owing to the illness of Mrs. Hogg. She is now quite recovered and they will leave on the 4:30 train Saturday.

Mrs. Geo. Carmel and family left on Saturday morning for High River, where they will join Mr. Carmel, who recently opened a barber shop there. A number of the friends were at the station to "see her off."

A special meeting of the Sons of England Benefit Society will be held next Tuesday, June 21st, in Mr. Hughes' studio at 8 o'clock. All members are earnestly requested to attend. Important business.

T. C. Rubbra returned from the coast on Friday last, whither he had taken his family. The many friends of Mrs. Rubbra will be pleased to know that her health was greatly improved prior to Mr. Rubbra's departure.

The election of officers in Crescent Rebeah Lodge I.O.O.F. took place on Tuesday evening, and resulted as follows: N. G. Sister Foreman, (re-elected); V. G. Sister Spencer; Mrs. See, Sister Pacey; Treas., Sister Ellis.

A party of Wetaskiwinites left on Tuesday last on an exploratory trip to the Peace River district. The party is composed of Messrs. Jas. Lake, W. A. Howard, Wm. Howard and Mr. Durkee, recently from Seattle. They expect to be at least two months on the trip.

The contracting firm of Anderson & Rasmussen, who are also manufacturers of cement blocks, etc., are erecting a handsome cement block house near the fair grounds. They have an advt. in this issue, which will be read with interest by any person contemplating building.

The firm of Staab & Son has commenced the erection of a building on Railroad St. East, next to Owen's corner, which they will occupy as a harness shop. They are obliged to vacate the premises they now occupy as the premises they now occupy as Mr. Owen needs the space for his second hand store business.

Mr. Rubbra, of Toronto arrived in the city a few days ago on a visit to his son T. C.

W. J. Stephenson, of Edmonton was shaking hands with his host of friends here on Tuesday.

Mason's full sale will last another week in order that everyone can have a chance to attend it.

At a meeting of the Ladies' Aid of the Methodist church, held at the home of Mrs. D. A. Sharpe, on Tuesday, the officers for the ensuing year were elected as follows: Pres., Mrs. Sharpe, re-elected; 1st vice pres., Mrs. J. H. Horne; 2nd vice pres., Mrs. Aldridge; Sec., Mrs. C. D. Eaman; Treas., Mrs. D. French.

Marcel Lyle had the misfortune to dislocate his arm while wrestling at the school on Monday last. This is exceedingly distressing to him at this time, as the examinations are in progress and as he is one of the brightest boys in the room, he is greatly handicapped in not being able to use his right arm.

The services for men, held in the Odd Fellows hall on Sunday afternoon last was fairly well attended and those who were present were well repaid by the interesting and instructive address given by Rev. O. Bishop, Provincial secretary of Y. M. C. A. work. If a suitable building was available, it would only be a short time before a branch of the Y. M. C. A. would be organized here.

A subscription list has been in circulation for the past few days, the funds to be expended by the band boys in the purchase of new uniforms. Wetaskiwin has one of the finest bands in the country, and the public showed its appreciation of the efforts of the boys to please the citizens by their band concerts, and also in doing their part to advance our city, by subscribing liberally to this fund.

The sale which was started by J. R. Staples on Saturday last has been a most gratifying success. The doors did not open until nine o'clock, when at least 75 people jammed into the premises to get their first choice of the bargains offered. The first 10 men were given their choice of a Station hat or a \$5 pair of shoes for \$3.25. The sale is being continued for several days yet. See advt. in this issue.

According to current rumor another party will presently be launched on the troubled political waters of this province. It is further stated that a meeting will be called for Edmonton on Saturday evening, when the proposed party will be organized.

The third party will build its platform upon has yet not been made public. It is conjectured by some that the third party will endeavor to correct some real or imaginary abuses such as overstepping of jurisdiction on the part of the lieutenant-governor and the usurping of provincial powers by the federal government. The movement which promises to culminate in the new party is said to have started at Red Deer.

SUPREME COURT CASES

His Honor, Judge Beck was in the city on Friday last and concluded the sittings of the Supreme Court for June. The first case to be heard at this adjourned sitting was King vs. Robertson. After listening to the evidence of some of the witnesses, the accused was acquitted. Henwood for the Crown, Nolan for the accused.

The other case was Miner vs. C. P. R. This was an action for damages on account of negligence on the part of an employee of the company in setting off the remains of a relative of the plaintiff at Banff instead of at Banff. Judgment was reserved. Greisbach & O'Connor for plaintiff; Bennett for defendant.

METHODIST CHURCH NOTES

The Sacrament of the Lord's Supper will be administered next Sunday morning. The pastor preaches both morning and evening.

Last Sunday evening service was conducted by Rev. C. W. Bishop, B. A., Y.M.C.A. secretary. His sermon was greatly enjoyed by the congregation.

Rev. A. R. Aldridge made a trip to Medicine Hat early in the week in connection with his presidential duties.

MARRIED

ELDRIDGE-NICHOLL-At the presence, by Rev. A. R. Aldridge, B. A., on Wednesday, June 15th, 1910, Thomas Malcolm Eldridge to Miss Mary Uray Nicholl, all of Calgary.

DeTro-Fraser-At the parsonage, on Wednesday, June 15th, 1910 by Rev. A. R. Aldridge, B. A., Charles DeTro, to Miss Mariel Fraser, all of Hardisty.

BORN

DITTMAYER-Near Millet, on the 10th inst., to Mr. and Mrs. Aug. Dittmeyer, a son.

Our neighbors, the Red Men, held a great sun dance on the reserve last week, and quite a number of our townspeople journeyed out to have a look at the doings. It certainly was a great show for the outsider, and beggars description. We might state that a sun dance is something of a religious affair, by far more picturesque than a good Scotch Sacrament on the hill sides, and as for the devoutness of those taking part, every bit a match.—Ponoka Herald.

GRASP THIS OPPORTUNITY

Almost every man and woman has experienced the unsatisfactory feeling of learning too late, that sometimes it is untimely and unprofitable to hesitate.

The words "never venture, never win" are particularly applicable if applied to certain real estate. It is possible for you to secure any profits from real estate unless you actually invest your money in the same.

Were you to ask a conservative financier, in your town or take up with your banker, the advisability of investing in a Western Canada townsite, in the centre of the rich farming area, south and east of Calgary, we feel confident that the decision would be that NOW is the most opportune time to invest. Since great railway developments are taking place, new lines projected, thousands of acres of virgin soil being cropped this year, and extensive coal deposits being opened up and mined, all tend towards an era of unprecedented prosperity and progress.

Surrounded on the north by a range of foothills, and on the south and east by the Bow River, Bow City occupies at the same time a most picturesque position, and one which ensures its absolute shelter from winds.

The property taken off the market in a few weeks time. It is this that you may expect to see active and increased demand in Bow City realty. The establishing of the culture and the harvesting of the year's crops at this point will double or triple the present prices of Bow City lots. You will therefore be fortunate if you own a lot or lots on the business or residential streets in Bow City.

The owners of Bow City have decided that no licenses shall be issued for the sale of spirituous liquors. They intend that this great mining centre and great agricultural market shall be free, if possible, of all the vices that have heretofore only too rapidly set themselves at work in our young cities of the West.

Yes, Bow City has a future of which every person who knows the Western country is absolutely certain. The thousands of acres of irrigated farming lands, immediately surrounding it, are assured of bumper crops every year. So complete, so extensive, is this irrigation plant that it may produce highly profitable returns to the farmer at all seasons.

This agricultural success means more to Bow City than you can conceive in a moment, since the great volume of crops from the farms adjacent to Bow City will certainly be an important purchasing demand for the farmers, as well as a centre market for farm crops.

By Way of Illustration

It is needless to carry your money back a century or a century—just look back into the past five years and you will remember that you could have purchased a residential lot in such cities as Regina, Calgary and Edmonton for \$50, which lot today is worth from \$450 to \$500.

At that time not one of these cities could show a more promising future than that which lies before Bow City today—in many instances not near so good. In it not there-

foreseeable for you to expect, and in fact to count upon just as great returns, and as rapid increase in real estate values in Bow City as has been experienced in other Western business cities? \$50 today in \$300 in 4 years.

If you were to purchase, to-day, a \$50 lot in Bow City, you could reasonably expect that the same would be worth, and selling for, \$250 to \$300 in four years' time.

How to Apply for Lots

We advise the reader not to delay by writing, but rather to telegraph your reservation at once for a \$50 residential lot, since the number of residential lots to be sold at this price is limited.

Should you desire to pay all cash, take a discount of 10 per cent, remit the balance, and you are then entitled to a lot.

Lots, however, may be purchased on easy terms—10 per cent cash payment, balance 10 per cent per month.

Business lots are, naturally, higher in price than the residential lots, but are sold on the same terms.

We will allot in the order of receipt, applications. This is our application were received to-day for a \$50 residential lot. You will see, therefore, the wisdom of wiring your application, since this advertisement appears in a large number of newspapers throughout Canada, and in consequence thereof, there will be many applications reaching our office daily, by both wire and mail. Hence, that you must send your cash payment the day you write your reservation, since the lot can only be held in your name until a letter could travel from your home to the head office.

If you are close to one of our sub-agencies, it would be well for you to call and inspect the plan of the property there.

RAILWAY NOTES

It looks as if the Canadian Northern were shunting for a line east and west through Red Deer as well as on north and south. At Montreal, Mr. William McKenzie, President of the road who had just returned from Britain after getting forty millions of money principally for western extensions, after speaking of his line east, said:

"As for the Brasen coal mine proposition, in which Belgian capitalists have interested themselves with McKenzie and Mann, the President said that these coal deposits were located 140 miles west of Red Deer and would be connected by a branch 140 miles, to be extended from the Canadian Northern, Edmonton and Calgary road. This railway will be started at once and pushed forward."

The trade of the United Kingdom for 1909 is announced to have reached completion. The Red Deer Advocate stated the huge sum of £1,094,230,125. But while Great Britain has only doubled its trade since 1898, Canada's second since confederation shows that the Dominion's trade is now five times what it was in that year. The trade of the United Kingdom amounts to about £11 per head; a wonderful showing when it is remembered that Canada has a large internal trade not included in these figures, a trade which the restricted area of the United Kingdom precludes.

GREAT ATTRACTION COMING

Starting next Monday night, June 20th, for an engagement of three nights the splendid Beland Theatre Company comes to the opera house in Bow City. It is an exceptionally strong company of artists and comes most highly recommended. It is the same company that has been playing Calgary for five weeks at the Lyric Theatre and now in Edmonton at the Empire Theatre. Mr. Angus has engaged them to come here for three nights, at an extra expense and it is to be hoped large audiences will greet this excellent attraction and show our appreciation of a first-class show when it visits our city. Everywhere the company has been playing to capacity houses and giving great satisfaction. The following is the repertoire of plays that will be presented.

On Monday night, June 20th, the laughable farce comedy "Drown's in Town." Tuesday night, June 21st, the intensely interesting comedy drama "Paid in Full" and on Wednesday night, June 22nd and the last night, the comedy that has created so much favorable criticism "A Masked Ball." Satisfaction is guaranteed or money most definitely refunded. Prices, 25 cents, 50 cents and 75 cents for reserved seats now on sale at Bailey's jewelry store.

DAMAGE BY FLOOD IN THREE STATES
Memphis, Tenn., June 2.—Reports from Arkansas, Missouri and West Tennessee, indicate the worst rain, wind and hail storms throughout the early middle hour, and lasted at intervals all day and until a late hour to-night. Days of torrential rain fell over western Arkansas and a cyclone hit the town of Pine Bluff and Hot Springs. Only one life was lost, that of David Meadows, a farmer near Fort Smith, Ark., who was drowned while riding to his house from the field on a mule. He rode into the backwaters which had overflowed a bridge and missed it, getting over his head. A San Francisco train went through a bridge near the same town, the engine getting across safely, but 14 cars of merchandise went down. A college building at Nettleton, Ark., was completely destroyed. The wire service all over Arkansas was out of commission for several hours. In every city and town in Arkansas, west and south of Little Rock, stores and residences were flooded and the streets were running streams of water. Such a condition was never before known. Damage to crops cannot be estimated but it will be enormous.

EDMONTON FOR HISLEY
The "B" Squadron, 19th A. M. R. will again have the honor of being represented at Hisley in the person of Sgt. McNish, who was forth for the King's prize last year and who is the winner of the Governor General's Cup, Sgt. McNish, who is considered to be the best marksman in the Dominion, will join the Canadian Hisley team at Montreal, where they will embark at 2 p. m. where the following: 2 turning lathes, combination rig and cutting off saw; 1 2 inch counter shaft; 1 planing bench; quantity birch and spruce lumber; several columns; porch posts; naval posts; stair and verandah balusters; flower stands; spinning wheels; neck yokes; double tread; single tread; post tops; 1 hewn beam; several croquet sets, etc. TERNIS—Cash.

GEO. L. OWEN, Auctioneer, Kingston & 8th, Ottawa.

NOTE—Last summer two men drank Payette county whiskey, crossed into Greene and fought. Result, murder, which accounts for four of the seven days of criminal court in Greene county.—Keystone Citizen.

It is reported that the coronation will probably be June 21 or 28th, 1911.

Manufactured only by The T. Millum Co., Limited, Toronto, Ont.
FOR SALE BY H. L. HIGGS

THE DOUGHT BACH HIS HOME

For the third time in as many weeks richer homesteads that have been abandoned and thrown open have tempted people to wait outside the Land Office door for days and nights in order to secure the homestead of their particular choice in that desolate land.

L. E. Freeman of Loughheed is the latest example of this particular kind of patience. For two whole nights and a day he stood in that doorway, in order that when it was opened this morning he might be able to secure by purchase a quarter section, which more than a year he had secured by pre-emption. Freeman had lost this quarter section by being misinformed by a local real estate agent as to the regulations covering pre-emptible homesteads. Mr. Freeman sold a homestead that he had farmed several years before, and in doing so forfeited his right to the second homestead upon which he had already effected upon improvements.

His right to the land was officially cancelled this morning at nine o'clock and Mr. Freeman was on hand to buy a homestead back at a price of \$3 an acre.

For five years ago Mr. Freeman has been living in Alberta and farming, where before that time he had never farmed. He is a Nova Scotian, but lived in Minneapolis for 2 years where he worked as a miller. His health finally broke down and he came to Western Canada for a few months. Then he went home again, but within six months time he was back in Alberta and has stayed here ever since.

A Norborne man bought 10 cents' worth of coal and received a nickel in change. When he got home he couldn't find the nickel. At last he discovered the nickel in his coat pocket. That gave him the clue, and opening his purse, he found where he had put the nickel—Kansas City Star

Caught Cold By Working In Water.
A Distinguishing, Pickling Sensation in The Throat.

Mr. Albert MacPhee, Chicago, Minn., writes:—"In Oct. 1908, I caught cold by working in water, and had a very bad cough and that distressing tickling sensation in my throat so I could not sleep at night, and my lungs were so sore I was not able to give up work. Our doctor gave me medicine but it did me no good so I got a bottle of Dr. Wood's Norway Pine Syrup and by the time I had used two bottles I was entirely cured. I am always recommending it to my friends."

Dr. Wood's Norway Pine Syrup combines the potent healing virtues of the Norway pine tree with other absorbent, expectorant and soothing medicines of recognized worth, and is absolutely harmless, prompt and safe for the cure of Coughs, Colds, Bronchitis, Croup, Sore Throat, Pain of Throatiness in the Chest, Whooping Cough and Lung Troubles.

Beware of imitations of Dr. Wood's Norway Pine Syrup. Ask for it and insist on getting what you ask for. It is put up in a yellow wrapper, three pins from the Trade mark, and the price 25 cents.

breath, clear away all waste and poison-
ous material from the system in Nature's
easy manner, and prevent as well as cure
Constipation, Sick Headache, Bilegness,
Heartburn, Catarrh of the Stomach, Sour
Stomach, Water Bruish, and all troubles
arising from a disordered state of the
Stomach, Liver or Bowels.

Mrs. J. C. Westberg,
Swan River, Man., writes:
"I suffered for years
more than tongue can
tell, from liver trouble
I tried several kinds of
medicine, but could get
no relief until I got Milburn's Laxa-Liver
Pills. I cannot praise them too highly
for what they have done for me."
Price 25 cents a tin, or 5 for \$1.00, at
all dealers, or mailed direct on receipt of
price by The T. Milburn Co., Limited,
Toronto, Ont.

PREMIER SIFTON TO BE OPPOSED

Vermilion, June 14.—In the forth-
coming campaign, in the Vermilion
riding, Premier Sifton, assisted by the
Hon. Duncan Macphail, Minister of
Agriculture, will hold a series of
meetings at which all Conservatives
taking part in the campaign will be
invited to be present.

The nomination by the Conservatives
of John G. Clark, of Irma,
as the opponent of Premier Sifton
in the coming by-election in the Ver-
million riding, is causing some activity
in the Conservative ranks here. The
matter of supplying the nucleus
of a well ordered campaign is evidently
wholly in the hands of the central
executive of the Conservative party
at Edmonton. A series of meetings
will likely be held by some leading
Conservatives of Edmonton. The Con-
servatives from Edmonton likely to
be present are Messrs. G. O. McCall,
H. A. Mackie, J. D. Hyndman and
some of the younger members of the
organization.

The Liberals of the riding are fully
prepared for the onslaught, though of
the final outcome there is no apprehen-
sion.

The campaign of the Conservatives
will likely be based wholly on the
supposedly disorganized and weakened
condition of the Liberal party and
what the Conservatives will call an
abortive attempt to bring their scat-
tered forces together with the election
of a machine leader, Premier Sifton.
As the Conservative campaign is ap-
parently being conducted by the ma-
chine of that party from Edmonton,
it will be interesting to note their de-
clamations of the Liberal "machine"
working on behalf of Premier Sifton.

"It cured me," or "It saved the life
of my child," are the expressions you
hear every day about Chamberlain's
Colic, Cholera and Diarrhoea Remedy.
This is true the world over where this
valuable remedy has been introduced.
No other medicine in use for diarrhoea
or bowel complaints has received
such general approval. The secret of
the success of Chamberlain's Colic,
Cholera and Diarrhoea Remedy is
that it cures. Sold by Red Cross
Drug Store.

A special committee of the city
commissioners has recommended the ac-
quisition of a 400 acre farm near Tor-
onto and the immediate establishment
thereof of a hospital where habitual
drunks may be treated. The pre-
paration of a by-law to make the
plan of indeterminate sentence apply
to the institution.

Rev. T. W. Bateman, well known to
many of our readers because of his
association with the Methodist church
work in this district, latterly of Sed-
gewick and Wainwright, has been
fitting himself for special missionary
work in China and has this year se-
cured the consent of his conference for
removal to that field.

RED CROSS DRUG STORE.

ABORTION OF MARES

There has been complaint in certain quarters because of abortion in mares. Below is a brief description of the disease, its causes and preventative, as given by Dr. H. G. Reed, Georgetown, Ont.

There is no Remedy

It will be observed that Mr. Reed mentions the stallion as the principal agent through which the disease may be spread.

If one mare in the herd has abortion the owner should then get busy. Isolation and disinfectants are the agents upon which he should rely. Lime for the stable floors and creoli and carbolic acid for disinfecting the mares are recommended.

Certain peculiarities very common throughout the country should be discussed. Carrying a mare that has aborted and feeding it to other mares.

2. Throwing bedding from the stall of an aborting mare on a pile to which other mares have access.

Permitting mares in foal to remain in the same feed lot or pasture with an affected animal.

Contagious Abortion in Mares

By Dr. H. G. Reed, Georgetown, Ont.

Cases of contagious abortion in mares (while somewhat rare as compared with the same trouble in cows) are occasionally met with. In both the cow and mare the disease is due to the action of a germ which gains access to the uterus (womb) and sets up a catarrh of that organ which breaks down the adhesion between the walls of the uterus and the foetal membranes and abortion is the result. The germ may get into the uterus through the generative organs, or by means of the general blood circulation after having been introduced by the food. At one time it was believed that the same germ was responsible for the disease in both cow and mare, but recent investigations go to show that the germs are not identical. Mares have been inoculated with the germ from diseased cows and yet no abortion took place. Abortion in the mare usually occurs from the 4th to the 9th month of pregnancy.

Symptoms.—Often no premonitory symptoms are noticed. The mammary gland is usually enlarged, the lining membrane of the vagina relaxed with an offensive discharge from the vulva which often persists for a considerable time after abortion has occurred. In many cases the labor pains will be very severe and violent, much more so than would likely be the case in a full term delivery.

Treatment.—If the act of abortion has begun no treatment can stop it, consequently we have to turn our attention to preventative measures. The foetus (which is usually born dead) and the afterbirth and all discharges from the vagina should be carefully gathered and burned or buried. The surroundings such as walls, floor and mangers should be thoroughly washed with hot water and then disinfected by the application of a watery solution of bichloride of mercury at the strength of 1 to 1,000 or 2 per cent solution of carbolic acid. The hind quarters and external genitals and around root of tail should be washed daily with either of the above preparations, and also the uterus should be flushed out daily with a 1 per cent watery solution of creolin and this should be done until all discharge from the vagina had ceased. The mare should not be bred again until six weeks from her last part date had passed and not then unless all discharge from genitals has ceased. When abortion takes place at pasture, no pregnant mares should be allowed to graze on it for at least three months. The greatest care should be taken by the attendant on a diseased mare to keep some special suit for such work and to remove it and wash his hands before going around healthy mares.

In the case of stallions having served a diseased suspected mare, the penis and sheath should be washed with a 1 per cent watery solution of creolin and as the stallion is by far the most likely agent to distribute the disease, owners of such horses cannot be too careful in this matter. It is a good and safe practice for all groomers to follow after every service and if it were more generally observed it would tend strongly to limit the ravages not only of abortion, but other genital diseases.

The fight between the Canadian Pacific Railway and the Province of Alberta promises to be an interesting one. Two of the most eminent counsel in all of Great Britain will be engaged in the argument of the taxation case, the amount involved being about \$25,000,000. The railway company has engaged Sir Robert Finlay, M. P. former attorney general for the United Kingdom, while the Province of Alberta will be represented by Sir Edward Henry Carson, who is a King's counsel, a member of King's Bench, and a member of the judicial Temple.

SYNOPSIS OF CANADIAN NORTH
WEST LAND REGULATIONS

ANY person who is the sole head of a family, or any male over 1 years of age, may homestead a quarter-section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties.—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres solely owned and occupied by him, or his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section, alongside his homestead. Price \$3.00 per acre. Duties.—Must reside six months in each of six years from date of homestead entry (including the time required to earn homestead patent) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties.—Must reside six months in each of three years, cultivate fifty acres and erect a house worth \$300.00.

Stettin, Alta., June 14.—The Canadian Northern railway has reached Stettin. The construction gang of the C.N.R. this afternoon reached Stettin from the north. A large number of citizens accompanied by the town brass band turned out to witness the arrival of the steel laying outfit. The frog at the intersection of the line with the C. P. R. track was inserted with promptness and tomorrow the construction train will have reached the new station site. The arrival of the new line of railway marks a new era in the town's history and will add materially to its importance as a business centre.

It's a mistake to think that all laundries are alike. Tom's snowy expanse of bosom differs from the cream yellow of the other. Same mistake in handling dannels. No lack of satisfaction with the work done by OUR MODEL LAUNDRY.

Every article like the driven snow—dannels soft as down; same perfect work all down the line, because we use best soaps, satin starch, best bluing, and no acids. Your money back when we fail. Our price-list no higher, than asked elsewhere. A postal bribe our collector; also, unswerving free.

The Ordinary Annual Meeting of the Shareholders of The Alberta Farm and Livestock Company, Limited, will be held at the office of the company on Wednesday, the 22nd June, 1910, at the hour of 9 o'clock p.m. The objects of said meeting are to receive the annual report, and election of directors for the current year, and such other business as should properly be brought before a shareholders meeting.
W. J. JONES, Sec'y Treas.
June 9th, 1910.

CAMROSE
(From The Canadian)
Mr. Francis Adam has been trying out his new gasoline launch on Miquelon Lake, this week.

The date has been set for June 20th for the formation, at Camrose, of the Alberta Lutheran College Association.

The sudden death occurred on Wednesday morning at 8 o'clock of Mrs. John Vikberg, resident of Camrose.

A provincial convention will be held at Camrose in the first week of July for the purpose of organizing an Alberta No-License Association.

Thos. Shagen has purchased the Florence Hotel, at Killam, and will take charge on Monday next. He has severed his connection with Camille David, wholesale liquor firm.

Olbert Hoyma left this morning for Christiania, Norway, where he will visit his father who is reported to be in very poor health.

F. Long, manager of Camrose Tannery informs the Canadian that from sixty to one hundred hides are being received each week from the J. Y. Griffin plant at Edmonton. These are called packer hides and are of first quality.

You can stop when you are climbing, never when you are descending—Napoleon.

DAYSLAND
(From The Press)
S. B. James, manager of the Merchants Bank made a business trip to Wetaskiwin yesterday.

John A. Brown, of Quarel, and Robt. J. Tate, of Irma, have recently been appointed notaries public.

J. M. Scanlan, formerly proprietor of The Angus Hotel here, has purchased the interest of S. E. Denny in the Windsor Hotel, at Camrose, and will manage the same. "Dad" has many friends here who wish him success.

Black Davidson, who has been connected with the Merchants Bank staff for some time has been transferred to Medicine Hat, leaving for that city this morning. Mr. Porter arrived from Medicine Hat on Tuesday evening, to fill the vacancy here.

On Monday Justice D. Davidson put in quite a busy time settling what appeared to be a series of neighborhood quarrels, in the vicinity of Grainland, George Duckworth and his wife were each charged with assault by Thos. Kemmis, upon which charge Duckworth was fined \$1 and costs, and Mrs. Duckworth was released on suspended sentence. Then Kemmis was charged with setting a prairie fire and cutting a wire fence belonging to Duckworth. Kemmis was fined \$25 and costs for his connection with the fire and \$5 and costs for cutting the fence. Herbert Derbyshire summoned Duckworth for non-payment of wages asked and the costs of the case.

News Notes
Rev. Dr. Herdman, superintendent of Presbyterian missions in Alberta is dead. Dr. Herdman was for many years pastor of Knox church, Calgary and was well known in Innisfail.

Ottawa, June 14.—From present appearances this will be the greatest crop year in the history of the West.

William Saunders, experimental farm director, waxed enthusiastic on the outlook, having returned Sunday from a trip, in which he travelled 2,000 miles after leaving Winnipeg.

A Stettler correspondent says: The town council have just appointed the John Galt Engineering company as their engineer for the proposed water works and electric light scheme which have been decided to be installed this season, and upon which, work will be commenced shortly.

Ottawa, June 14.—The government has decided to go ahead with the construction of the Hudson Bay Railway. At the recent session an appropriation of \$60,000 for construction purposes went through, and since then the plans and specifications have been in preparation for the section of the line on which surveys were completed. Tenders are to be called for at once.

The prosperity of a town is not gauged by the wealth of its inhabitants, but by the uniformity with which they pull together when any important undertaking is to be accomplished. A man with a thousand dollars at his command and a love for town in his heart, can do more for the building up and improving of it, than the millionaire who looks up his capital and snaps his fingers at home progress.

A school inspector was making his rounds, and on entering a room where there was a number of younger scholars, told them he intended to give them an observation test. He asked for a number which he could write on the blackboard. One boy yelled out sixteen, and the inspector wrote 16 without any of the pupils raising an objection. Another scholar gave him 25, and he wrote 25 without apparently being noticed. Then he asked for another number, and a little red-haired boy in the back of the room yelled: "Write forty-four, you damned old fool and see if you can get that right!"

NEW VERSE TO NATIONAL ANTHEM
"Our loved Dominion bleeds
With peace and happiness
From shore to shore;
And let our Empire be
United, loyal, free,
True to herself and Thee
For evermore."

The above verse appears in the new hymnal of the Anglican church. The sentiment therein is of such a lofty and inspirational character that the people of this young but great nation to be should generally adopt it.

Council Proceedings

The regular meeting of the Council was held in the Council Chambers on Tuesday evening, June 11th, present Mayor Montgomery, Ellis, Wagner and Angus.

Minutes of last meeting read and approved.

Communication
From Soc. of Canada Firemen's Association asking council to send delegates to the convention in Winnipeg. No action taken.

From Short, Cross & Digger re extension of road north—Ellis—Angus. That clerk be instructed to reply to same.—Carried.

Comptroller and Parks reports committee re building at cemetery. Angus—Ellis. That report be adopted and carried out as recommended, also that police be instructed to notify residents to the effect.—Carried.

Ellis—Angus—That notice of motion for by-law to enter into contract with Imperial Bank re advances for city sewers and the by-law to borrow \$5,000 for electric light be waived.—Carried.

By-law No 173 to borrow up to \$75,000 from Imperial Bank local improvement city sewers, was read three times and on motion of Ellis—Wagner—That by-law was finally passed and became law and the mayor and see towns were authorized to sign same.

Ellis—Angus—That mayor and secretary be authorized to sign agreement between city and Imperial Bank to loan for sewers as per by-law No 173 carried.

By-law No 171 to borrow money for electric light was read three times and on motion of Angus—Ellis—was passed and the mayor and secretary were authorized to sign same.

The plumbing by-law was given its first reading.

The following accounts were ordered paid:
General 321.08
Electric Light 36.47
Waterworks & Sewers 47.08

Angus—Ellis—That lead pipe required for 50 water connections be ordered in suitable quantities be ordered by Mr. Crane.—Carried.

Angus—Ellis—That Mr. Crane be authorized to get street sprinkler completed according to his specifications.—Carried.

At Ellis—Angus called attention to the large number of men and boys employed in grading streets. He thought it was unnecessary. It was arranged to go into the matter thoroughly.

Mayor called attention to having crossings repaired. Angus—Wagner—That public works committee have work done at once.—Carried.

Angus—Ellis—That question of buy drag be left to Mr. Crane to have same constructed as cheaply as possible.—Carried.

P. J. B. Morris tender for painting pumping station was accepted a motion of Angus—Ellis.

Meeting adjourned.

BOARD OF TRADE MEETING

The semi-annual meeting of the Board of Trade will be held in the city hall, Friday evening at 8 o'clock. As it is imperative that the work of the Board be sustained, it is requested that those members of the Council of the board having the membership in the hall, report at this meeting and bring as many out as possible. If Wetaskiwin is to get the benefit of the coming immigration and the strength that comes from a growing manufacturing and commercial centre, it is up to the citizens to sustain any public body which can be done.

The city council should build a new building on the C. P. R. grounds near the station and let it be used for this work, they should also give enough financial assistance for the Board of Trade to do some tangible work and pay the salary of a special publicity man who would spend his time in looking after the interests of the city.

If the citizens have any interest in the development of their own city let them come out to this meeting and say so.

J. BRADLEY
Acting Secretary Board of Trade.

THE BAPTIST CHURCH

Two series of services are announced for the morning and evening services in the Baptist church. The morning series are entitled "Straight Talks to Christians" and are as follows:

June 12—"Is Holiness one of duty?"
July 10—"The New Birth—What is it?"
July 17—"The Other Fellow."

The general topic for the evening series is "Straight Talks to the Unconverted." The sermons are:

June 9—"The Way of Death."
June 16—"Is Your Soul Worth Considering?"
July 3—"Sowing and Reaping."
July 10—"Striving."

July 17—"What Birth—What is it?"
July 24—"Your Convenient Season."
July 31—"Man's Deepest Need."

A cordial invitation is extended to all.

There was a fearful earthquake in Italy on Tuesday, when 200,000 people are said to have been killed. Mt. Vesuvius threatens to destroy Naples, and the catastrophe is reported to be much greater than that of Messina in 1908.

If you are not satisfied after using according to directions two-thirds of a bottle of Chamberlain's Stomach and Liver Tablets, you can have your money back. The tablets contain and invigorate the stomach, improve the digestion, regulate the bowels. Give them a trial and get well. Sold by Red Cross Drug Store.

BAWLF
(From 'The Sun')
Miss Anna Biggen arrived Friday last from North Dakota, and is visiting her brother R. C. Biggen and family.

Dr. MacEachern left Friday last for a month's visit in Ontario. The doctor has been on duty for along time without a rest and deserves a well earned holiday.

C. W. Gardner's new addition to his store building is rapidly nearing completion. When finished the new building will give him every commodious quarters for the goods of the various departments which he carries in stock.

The shaft which is being sunk at the Bawlf Collieries is now 40 feet deep and it is expected that in a few weeks the actual mining of the coal will be commenced. At the present time all hands are busy erecting buildings and making the preliminary preparations at the mines.

Over 1100 pounds of butter were made by J. E. Hanson, proprietor of the Bawlf Creamery yesterday. Mr. Hanson reports that 2,000 pounds more of butter were made at the creamery in May this year than were made during the same month last year.

A. J. Braden, who for the past two years has been in the employ of the Bawlf Hardware Co., as manager of the extensive hardware and repair shop, has purchased the entire hardware business and equipment, and for the present will be located at the same quarters in The Bawlf Hardware Co. It is no longer a rumor that the coal discovered at Bawlf early last spring would rank above that found in any part of the province. Tests are still being made here and from experts in this particular line we are informed that the coal found at Bawlf will grade higher than any other coal so far found in the province, not even excepting the famous Lethbridge coal.

BUILD AT ONCE AT ATHABASCA
LANDING

Edmonton, June 3.—A. R. Davidson head of the C.N.R. land department, is here today on his way to the coast to take over the Dominion collieries on behalf of the railway company. He states that the new town on the Vegreville-Calgary line are to be opened this summer.

The company is preparing to purchase a large block of Alberta farmland; the construction of the line west to the Irrawaddy is to be proceeded with at once, as also the completion of the Athabasca Landing line.

The New York Legislature has decided that after July 1st, 1911, the wearing of feathers of a bird, except those made unpopular by his own conduct shall be unlawful.

MILLET
(From 'The Packet')
Mr. R. A. Elder sold a 1/2 section of land at Falgout in this week and received \$1,200 cash for it.

Mr. Ray Wolf has been appointed section foreman on the C. P. R. at Calgary Junction and left this morning to take up his duties there. Mr. Wolf will follow in a few weeks. He had many friends in town who all wish him success in his new position.

The boys have been busy this week fixing up bleachers and benches at the baseball diamond. A big time is expected on the 21st.

Pigs in pigs—Mr. Z. H. Doane, one of our successful farmers brought 4 pigs into town Tuesday and received \$15.50 from P. J. Mullen, who shipped a pair to the packing plant this week. The man that has the workers is the man that gets the dough.

Bibbi Gertrude, infant daughter of Mr. and Mrs. J. Ferguson, passed away last Sunday evening after a lingering illness, dating almost from the time of her birth. Remedies of every kind failed to prolong the life of the little one, who had only been in this world for the space of 3 months and 15 days. A mother will always mourn for her offspring, and a father for his children, be they even so young when taken away. Much sympathy is felt for the bereaved parents, Mr. Ferguson being away at the time.

IN AND OUT

Two saloonkeepers came to a train where Gypsy Smith, the evangelist was sitting waiting for the train to start. The two saloonkeepers monopolized all the conversation. Gypsy Smith was hidden behind his newspaper, but he heard their conversation. By and by one of the saloonkeepers said, "Mr. Smith, we know you and we want to say to you that we are going to give up the saloon business and your knocking at the liquor business we liquor men will all have to go to the poor house." "Ah, right," said Gypsy Smith, "When you go to all the rest of the inmates can come out."

BIGGEST LOGGING CONTRACT
IN INTERIOR

(Kamloops, B. C., Inland Sentinel, May 23, 1910.)

What is without a doubt the biggest logging contract yet undertaken in the interior of this province is that just completed by Messrs. Robinson and McKenzie, formerly sawmill operators at Cranbrook, and well known as expert loggers, with the Monarch Lumber Company, at Savona, and the Sovereign Lumber Company, Annis.

The contract calls for the delivery in logs on Shuswap lake of one hundred million feet of logs at the rate of 20,000,000 feet each year for five years, the total value of the output being over \$700,000.

THE FORMULA OF
"FRUIT-A-LIVES"
Is On The Outside Of Every Box
For All The World To See

Every user of "Fruit-a-lives" knows exactly what is being taken. The formula of this famous fruit medicine is printed plainly on the outside of every box. We have stated many times—and now state clearly—that "Fruit-a-lives" is made of the juice of apples, oranges, figs and prunes, with valuable heart and nerve tonics and antiseptics.

Everyone knows that fruit juice is healthful—but perhaps some do not understand why this is true. Fruit juice consists of about 92% water, 8% of sweet principle, and 1% of a water substance. It is the quantity of water principle in fruit that gives the fruit value as a medicine. An eminent physician of Ottawa, after years of experimenting, found a method of increasing the water principle in fruit juice, thus increasing the medicinal or curative qualities.

The juices are first extracted from fresh, ripe oranges, apples, figs and prunes. In a secret process, some of the sweet atoms are replaced by the bitter principle. Then tonics and antiseptics are added, and the whole made into tablets, now known far and wide as "Fruit-a-lives."

"Fruit-a-lives" is the only medicine in the world that is made of fruit juice, and is one of the few remedies that have not their composition known from their introduction to the public.

"Fruit-a-lives" is a stimulant for the liver, bowels, kidneys and skin. In cases of obstinate Constipation, Liver Trouble, Indigestion, Backache, Rheumatism, Headaches and Impure Blood, this wonderful fruit medicine cures when everything else fails.

"Fruit-a-lives" is sold everywhere at 50c. a box, 6 for \$2.50, or trial box, 25c., or will be sent, postpaid, on receipt of price by Fruit-a-lives Limited, Ottawa.

PROVINCIAL FAIR AT CALGARY.

The exhibition grounds at Calgary is now a very busy place. A small army of workmen are making the repairs and preparing the exhibits for the Provincial exhibition to be held June 30th to July 7th. All available space in the buildings for industrial exhibits has been secured some time ago, and a number of exhibits have to be content with tent space.

Entries close at Calgary June 8th. The forestry plantation immediately in front of the main gate was prepared and trees planted about the middle of May, and each succeeding year will be a living demonstration of what can be done in tree planting on the plains. While the exhibition directors are providing that educational features and exhibits shall be the "Meat of the Meal" for visitors, they also believe that they like some dessert in the form of good music and attractions, and the following list of features of the best quality cannot help but cater to the various tastes and fancies of our numerous visitors.

The Navarrese Ladies' Band, finest in the world, assisted by the Calgary Rifle Band and the Calgary Citizens' Band.

A reproduction of the making of the Indian Treaty of 1877 illuminated with magnificent display of fireworks.

A \$7,000 racing programme.

Albert's ten snow white polar bears.

Rez's Comedy Circus.

The Six Abdallahs Brothers, marvellous acrobats.

Ramza and Arno, clever comedians.

The only Rubie Shields, the fun maker.

Demonstration by the Calgary Fire Department with specially trained horses.

Do not forget that entries close on June 13th.

Very low passenger rates. Six or seven special trains to the exhibition and a special excursion to Banff on July 7th. A handsome illustrated pamphlet, giving information regarding the exhibition will be sent by return mail on application to the manager.

ALBERTA TO HAVE SEPARATE COLLEGE

Halifax, N. S., June 8.—The Province of Alberta, in which the churches and missions of the Presbyterian body have increased so rapidly during the past five years, is to have a theological college of its own and will in future educate its own ministers. This was the decision at which the general assembly arrived this afternoon after a spirited session. The assembly named the first board of management and the first senate of the new institution. The building will be erected in connection with the provincial university in Strathcona. The list of the members of the governing body includes those of the most prominent ministers in the province and about thirty well-known laymen. Among the latter are Hon. Frank Oliver, Hon. C. W. Cross, Mr. Justice Stewart, of Calgary; James Short, barrister, Calgary; John A. McDougall, Edmonton; and J. M. Douglas, M. P., Strathcona.

A BAD SIGN

If Your Hair Falls Out When Comb- ing The Hair.

Falling hair means that the roots of the hair need strengthening; they need a tonic and they ought to have it mighty quick.

If you will go to the Red Cross Drug Store he will sell you a bottle of hair tonic for 50 cents that is guaranteed to stop falling hair and itching of the scalp and cure dandruff in two weeks or money back.

The name of this magical preparation is Parisian Sage, and it can now be obtained in nearly every town of importance in Canada.

Beautiful women in the metropolis are large users of Parisian Sage, because they have learned that it makes and keeps the hair soft, beautiful, lustrous and luxuriant. Parisian Sage is not sticky or greasy, and is the most delightful hair dressing in the world. Fifty cents at the Red Cross Drug Store, or direct, all charges prepaid, by the Canadian makers, the Gironx Mfg. Co., Fort Erie, Ont.

AUCTION SALES OF INDIAN LANDS
[THESE will be offered for sale by public auction, at an upset price, in the town of Ponoka, in the Province of Alberta, on Wednesday, the 22nd day of June, 1910, at the hour of one o'clock P. M., the following lands in the Louis Bull, Bolkall and Samson Indian Reserves, namely:—P. N. B. 1/2 sec. 22, N. B. 1/2 sec. 30, S. 1/2 sec. 31, fr. N. B. 1/2 sec. 31, fr. S. 1/2 sec. 32, S. 1/2 sec. 33, N. B. 1/2 sec. 33, and S. W. 1/2 sec. 34, all in Tp. 45, R. 25, W. 4 M., in the Louis Bull Indian Reserve; S. B. 1/2 sec. 15, N. 1/2 sec. 15, S. W. 1/2 sec. 16, N. E. 1/2 sec. 16, fr. W. 1/2 sec. 17, N. E. 1/2 sec. 17, fr. sec. 18, and S. 1/2 sec. 19, Tp. 43, R. 24, W. 4 M., fr. sec. 13, fr. sec. 14, fr. B. 1/2 sec. 15, S. 1/2 sec. 23, N. W. 1/2 sec. 23, sec. 24, sec. 25, sec. 26, S. 1/2 sec. 25, N. E. 1/2 sec. 25, and sec. 26, Tp. 43, R. 25, W. 4 M.; sec. 1, S. B. 1/2 sec. 2 and S. 1/2 sec. 12, Tp. 44, R. 25, W. 4 M. in the Bolkall Indian Reserve; P. N. B. 1/2 sec. 19, N. W. 1/2 sec. 22, N. B. 1/2 sec. 22, N. E. 1/2 sec. 22, N. B. 1/2 sec. 29, N. B. 1/2 sec. 29, sec. 30 and 31, and S. 1/2 sec. 34, R. 25, W. 4 M., in the Samson Indian Reserve.

Quarter sections, cash, or one-tenth cash and the balance in nine equal, annual instalments with interest at five per cent. on the unpaid purchase money. Accepted cheques will be taken in lieu of cash.

Upon a parcel of land being knocked down, the purchaser shall immediately deposit the sum of one hundred dollars with the Clerk of the Sale, otherwise the parcel will at once be put up again. For this purpose intending purchasers should provide themselves with marked cheques on chartered banks of Canada, made to their own order and payable at par at the point of sale; or with bank notes of as large a denomination as possible. The balance of the cash instalments must in every case be paid in cash or by marked cheque before the close of the sale, failing which the forfeited, and the land withdrawn from sale.

Any information regarding the lands in question may be obtained upon application to the undersigned.

The unauthorized insertion of this advertisement will not be paid for.

J. D. McLEAN, Secretary, Department of Indian Affairs, Ottawa, May 2, 1910. 10-37a

Representatives of the American wireless corporation are here looking for a site for wireless telephone tower. They say they will be able to talk from Edmonton to Calgary before snow flies.

Lives of farmers all remind us, We may roll in wealth some day; We are liable to be marked, With the eggs our pullets lay.

Troubled With Backache For Years. Now Completely Cured By The Use of **DOAN'S KIDNEY PILLS.**

Mr. W. C. Doan, 12 Bright St., London, Ont., writes:—I am with pleasure that I thank you for the good your Doan's Kidney Pills have done me. Have been troubled with backache for years. Nothing helped me until a friend brought me a box of your Kidney Pills. I began to take them and took four boxes, and am glad to say that I am cured and can do all my own work and feel as good as I used to before taken sick. I can positively state that your pills are all you claim them to be, and I advise all kidney sufferers to give them a fair trial.

Let Doan's Kidney Pills do for you what they have done for thousands of others. They cure all forms of kidney trouble and they cure to stay cured.

Price, 50 cents per box or 3 boxes for \$1.25 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering specify "Doan's."

FIRST BASEBALL GAME OF THE SEASON

The first ball game of the season
to be played on the local diamond
was played on Wednesday, when the
Deer and Bittern Lake met in a dou-
ble-header. The games cannot be
classified as first-class ball as one of
the great essentials—ump—was want-
ing, while errors and base stealing
were quite numerous. Goucher and
Nelson, old-time exponents of the
game in Wetaskiwin, were the star-
wards of the Bittern Lake aggrega-
tion, while Barrett and Johnson of
this city were also in the line-up.
Spiesman, who started in to do the
twirling for the Lake, was wild, and
was replaced in the third by Goucher.
While Nelson went behind the bat,
in the team from the south the re-
sponsible Joe Martin was a conspicu-
ous figure and he succeeded in scor-
ing three of the runs for the team in
the afternoon's game. As per agree-
ment only seven innings were played
in the afternoon. At the end of the
sixth Bittern Lake were two down,
but succeeded in tying the score in
the part of the seventh. Washburn,
the first man to bat for the Deers,
landed the sphere to deep center and
made the circuit before the ball was
recovered, thus winning the game, the
score being 8-7.
The evening game was a better ex-
hibition than in the afternoon, and
the boys from the east, contrivance
their formidable foes from the south by
the score of 12-6. Nelson did the heav-
y lifting and showed much of his old-time
form, while the popular Goucher be-
hind the bat had things very much his
own way.
The teams lined up about as fol-
lows:
Bittern Lake—Spiesman, p. and 3b;
Barrett, 2b; Nelson, ss. c. and p.;
Goucher, c. and p.; Sharkey, cf.; John-
son 1b; Osborne rf.; Kirkland 3b;
Denton lf.
Deer—Martin 1b; Turner, c.;
Washburn 2b and p.; Heavens, ss.; Whit-
ty, cf.; Mann 3b.; Lousi, p. and 2b.;
LaFrance lf.; Evans, rf.
The veteran umpire, P. A. Niquet,
official and gave the best satis-
faction.

JOHN KNOX UNION PICNIC
A grand picnic on the auspices of
John Knox Union U. P. A. and the
John Knox school will be held at
Bentley's grove, (south of Hewitt
Lake), 2 miles east and 2 miles north
of Wetaskiwin and 4 miles due north
of Swanston's Corner, on Thursday
June 23rd, commencing at 11 o'clock.
Programme—Prof. Ross will give a
free exhibition with the puncheon bag;
baseball tournament; addresses by
several prominent men; athletic events
for adults, while a full program of
running, jumping, etc., will be arrang-
ed for the children; abundance of live-
ly music. Every family is requested to
bring a well-filled basket. Refresh-
ments may be obtained at a booth at a
reasonable charge. Come one and
all. Everybody welcome.

No "Flying Start" required with this Mower

If your mower isn't a Frost & Wood, very likely you have to back it up several feet and get a "flying start" before the knives will cut. That is because it is made on the External Gear principle.
Now, with the Frost & Wood No. 3 Mower the knives commence cutting the instant the horses begin to move. That is because the No. 3 is designed on the Internal Gear principle.
We could tell you here the difference between External Gear Mowers and Internal Gear Mowers, but it would require a lot of space, and we can explain the difference more readily if you'll drop in and see us. We also want to show you the Large Bearings used in the Stay-Link Connection between Cutter Bar and Main Power Frame, as well as the Double Brace used to protect the working parts from jars and jolts—and several other features exclusive to the Frost & Wood No. 3 Mower. Call and see us at your earliest convenience.
